I'm your slave
I'm your pet
Cover me all through the night
I'm your slave
I'm your pet
Cover me all through the night

Whip it up
Shove it in
Make it work
Pull it down
Cool it down
Prop it in
Pull it out
You're the one that I bleed

I'm your slave
I'm your pet
Hold up your cup
And I will pour.
Hang on
Hang on
Baby
Eject me
Out of my home
And I will surely cry
Hang on
Hang on
Hang on
Bluer
Bluer
