Everything I see  
So fragile and clean  
Or twisted please feed  
Me some venom  
Been hanging around, slowly I dive in alive.  
Hurry up inject me with more venom

Can?t go back here  
Time for dreaming  
Can?t go back here  
Black hole has sucked me in  
Can?t go back in  
Time for dreaming  
I Can?t go back  
New millennium.

I was caught in a reflection  
There was just no connection  
Now I tremble all over  
So many ghosts to uncover.  
Oooohhhh?  
I was caught in a reflection  
I just cant keep up with  
Your destruction.

Ahhhhhwoooooahhhh.

I feel my eyeballs getting wider  
My ears are growin hotter  
My thyroid?s getting larger  
My brain is getting smaller

Lalalalalala?

My future has no focus  
My thyroid?s getting swollen  
My dream grow weaker  
The beauty so tragic  
My dream has grown weaker  
The beauty is so tragic  
My vision has no future

My dreams are growing smaller.

Lalalala laaaaaaaaaa
