Sitting down
Wasting time
All I have
Is just me
And my memories
I close my eyes
I think in time
All the world was mine
But now it's just a memory

To feel
Is a long affair
And never be prepared
To do the things I like
It's never there

What can I do?
It's just not use
All I had was just an ordinary time

To feel
Is a long affair
And never be prepared
To do the things I like
It's never there

A feeling stronger than
Stronger than my vein
I'm looking for a way
To bring you back

To feel
Is a long affair
And never be prepared
To do the things I like
It's never there

What feeling is stronger than
Stronger than my vein
I'm looking for a way
To bring it back

To feel
Is a long affair
And never be prepared
To do the things I like
It?s never there
