verse1:

Underneath it all I don't get too excited
The leaner years go by
You weigh less then when you were so damm cool way
Back in two thousand and two/

Chorus:

What does this future hold for me?
What does this future hold for me?
Should I flee?
Aaaaaaahhhhhh 0
00000 Aahhh

verse2:

I have crawled back to you,
I am full of regret I could never accept
You just stroll right by with a new hair do and a pair of
shiny black

Chorus:

What does this future hold for me?
What does this future hold for me?
Should I flee from a future that
That could never include you.
It's just a shame she's underneath
She's just a shape she's underneath.

Chorus:

What does this future hold for me?
What does this future hold for me?
Should I flee from a future that?
That could never include me... you?
What does this fut...?
