You don't have to say
I'm not worth winning
I'm so damn naiv,
I'll eat your words
And I try to be so good
So you didn't have to hate me

How stupid of me not to see this coming
How stupid of me to trust that smile
I'm falling so fast, I can't believe it's
happening to me

Chorus:

You belong to me and I belong to you
and that I always thought I would hear
You belong to me and I belong to you
but here I stand all alone
What have you done to me?

You don't have to tell me how I should feel
whenever there's pain I can not stand it
been crawling so nice for you
believing that you'll never leave me

Chorus:

You belong to me and I belong to you
and that I always thought I would hear
You belong to me and I belong to you
but here I stand all alone
What have you done?

As strong as I am I will go on
And not no need you to prove me wrong
I know I'll make it on my own

Chorus:

You belong to me and I belong to you
and that I always thought I would hear
You belong to me and I belong to you
but here I stand all alone
What have you done to me?

What have you done to me?
