I've been jonesing  
I've been jonesing  
I've been jonesing for you

I've been jonesing  
I've been jonesing  
I've been jonesing for you

Can you remember  
If you ever  
Felt like you were in control

Confidently  
Or incidentally  
Let your mind slip out your mouth

I've been jonesing  
I've been jonesing  
I've been jonesing for you

This is obvious  
But it's meaningless  
What I think and what I want

And I'm sure that  
I'll get over it  
Until then my mind is fun

I've been jonesing  
I've been jonesing  
I've been jonesing for you

I've been jonesing  
I've been jonesing  
I've been jonesing for you

What I meant to say  
Is that anyway  
You look at this I'm bound to fail

I'll keep hoping

Find myself coping  
With the way this world turns round

I've been jonesing  
I've been jonesing  
I've been jonesing for you

I've been jonesing  
I've been jonesing  
I've been jonesing for you
