"Psycho For Your Love"

I'm a psycho for your love, baby, yeah
I'm gonna follow you to hell or anywhere
If your dad tells me to stop and get out
I'm gonna put him on his back and kick him right in the
mouth
'Cause I'm a psycho for your love, baby, yeah

Go to the graveyard see who we meet
Watch all the zombies on my street
Vampire and a werewolf too
But I can't keep my crazy mind of you
'Cause I'm a psycho for your love, baby, yeah

I'm gonna follow you to hell or anywhere
If your dad tells me to stop and get out
I'm gonna put him on his back and kick him right in the
mouth
'Cause I'm a psycho for your love, baby, yeah

[guitar solo]

Go to the graveyard see who we meet
Watch all the zombies on my street
Vampire and a werewolf too
But I can't keep my crazy mind of you
'Cause I'm a psycho for your love, baby, yeah

I'm gonna follow you to hell or anywhere
If your dad tells me to stop and get out
I'm gonna pull out my knife and rip his throat right out
'Cause I'm a psycho for your love, baby, yeah

[solo]

Go to the graveyard see who we meet
Watch all the zombies on my street
Vampire and a werewolf too
But I can't keep my crazy mind of you
'Cause I'm a psycho for your love, baby, yeah

I'm gonna follow you to hell or anywhere

If your dad tells me to stop and get out
I'm gonna put him on his back and kick his teeth right
out
'Cause I'm a psycho for your love, baby, yeah

Yeah, I'm psycho for your love, baby, yeah
I'm psycho for your love, baby, yeah
Oh, baby, yeah [x6]
Well, I'm a psycho for your love, baby, yeah!
