Nothing you can do or say will stop me going on my
way
Cause you can't keep a good man down

It's true I have seen better days I think my hair is
turning gray
But you can't keep a good man down

Yeah all of my life I had people like you
Pushing me 'round, trying to tell me what to do
I tell you there's no reason why, I should never reach
the sky
Cause you can't keep a good man down

Yeah all of my life I had people like you
pushing me 'round, trying to tell me what to do
I tell you there's no reason why, I should never reach
the sky
'Cause you can't keep a good man down

Nothing you can do or say will stop me going on my
way
Cause you can't keep a good man down

You better not laugh in my face
Cause I tell you I'm going to win the race
No you can't keep a good man down
