Education's overrated  
And I'm the monster that it created  
And doing homework's antisocial  
But I'm an A star pupil

GCSE in Music  
I don't know how the fuck I'm gonna use it  
And time is of the essence  
But the pills are a depressant  
And I think I learnt my lesson  
But I'm only adolescent

Woooah  
Woooah oh  
You do it again  
Wooah  
Woooah oh

And all the wasted time I've spent  
(The grass is greener on the other side of the fence)  
But to me it makes no sense  
(You get the grades, and then you pay the rent)

And all the wasted time I've spent  
(The grass is greener on the other side of the fence)  
And to me it makes no sense  
(You get the grades, and then you pay the rent)

Woooah  
Woooah oh  
You do it again  
Wooah  
Woooah oh

I had a mate called Paul  
And he was never too cool  
And got himself chucked out of too, too many schools  
Didn't know what to do  
So he went and robbed a bank  
With a sawn-off shotgun and his stupid mate called  
Frank

Got on a plane, down in Heathrow  
Got nicked in the waiting room  
And got ten years  
And a fucking ASBO!

Woooah  
Woooah oh  
You do it again  
Wooah  
Woooah oh
