Oi!

I had a couple too many last night
And there's lessons to be learnt
Monday mornin rattles in my head
And there's coppers to be earned

I met a girl thought she was the knees knees
Turns out she's aint even from brockney Oh

A night out for a tenner
A night out with a tenner
Livin' young forever
Sneaking out from your mothers
And I said oh

Cos we're the south east lovers
We're the last of the lookers
Wrapped up topshop sweethearts know
Wrapped up topshop sweethearts go

I had a couple too many last night
And there's lessons to be learnt
Monday mornin rattles in my head
And there's coppers to be earned

I met a girl thought she was the knees knees
Turns out she's aint even from brockney Oh

Stop.

A night out for a tenner
A night out with a tenner
Livin' young forever
Sneaking out from your mothers
And I said oh

Cos we're the south east lovers
We're the last of the lookers
Wrapped up topshop sweethearts know
Wrapped up topshop sweethearts go
Wrapped up topshop sweethearts know
