He first caught her eye
After doing some lines
In a club in 1994
She left with his life
On the 8:25 express service
From Victoria

And he took her shopping
Up in the East End
A bit of a waster
But a good boyfriend
And he's like
"I'm coming back tomorrow"
That's what he'd always say
"I'm coming back tomorrow,
if that OK"

She left in the morning
(Whoa whoa whoa)
Left a note in the kitchen
(Whoa whoa whoa)
"I'm coming back tomorrow"
That's what he'd always say
"I'm coming back tomorrow,
if that OK"

Two lines in the back and it's like
Oh ah oh ah
Three beers at the bar and I'm like
Oh ah oh ah
Two lines in the back and that's OK
Two beers at the bar and that's today
Live a little
Live a little

I remember the last time that I saw her face
With the Ascot classics and at a Millwall game
And I'm like "She's coming back tomorrow"
That's what he always says
"Coming back tomorrow, if that OK"

And he needs her kisses
(Whoa whoa whoa)
And her sexy misses
(Whoa whoa whoa)
"I'm coming back tomorrow"
That's what he'd always say
"I'm coming back tomorrow,
if that OK"

Two lines in the back and it's like
Oh ah oh ah
Three beers at the bar and I'm like
Oh ah oh ah
Two lines in the back and that's OK
Two beers at the bar and that's today
Live a little
Live a little (repeat to end)
