Up the duff and on the run
Off to Blackpool, sand and sun
She's got a buggy, for a baby
She's a Red Light District lady
He got a distinction in PE
His Mum got nicked for his truancy
Now he's a multiple offender
She's a back-door fanny bender

And in this day and age
It's all the rage
Rape and pillage and sexual slaves
Aborted babies don't get, graves
A sexual riot
A sexual riot
A sexual riot
A sexual riot

And you could call me crazy
Stupid people been talking lazy
And it's just a craze
But even babies got babies these days

And in this day and age
It's all the rage
Rape and pillage and sexual slaves
Aborted babies don't get, graves
A sexual riot
A sexual riot
A sexual riot
A sexual riot

He goes around the houses when he's looking for
Johnny
And he's the kinda guy who will take just what he needs
I say he don't got time to get in a fight, he doesn't have
a laugh
And the bleeding time he's always acting daft

And in this day and age
It's all the rage

Rape and pillage and sexual slaves
Aborted babies don't get, graves
A sexual riot
A sexual riot
A sexual riot
A sexual riot
