I live on a diet, of half-price pub lunch  
And Tesco's trifles, I think it might be all too much  
I sleep all day and I dance all night  
But when you come down, everything's gonna be all  
right

Too many Hannahs  
Too many Hannahs  
Closing time, closing time  
About the things you do  
The way I feel about, I just can't tell it to you

And who goes out, at 3 in the morning?  
I'm getting tired, this lifestyles getting oh so boring  
Waterloo Bridge, in the middle of the night  
But when we come down, everything's gonna be all  
right

Too many Hannahs  
Too many Hannahs  
Closing time, closing time  
About the things you do  
The way I feel about, I just can't tell it to you

She got slashed so quickly  
Her feet didn't touch the floor  
And the cunts in all the pubs  
With all the racists ???  
The days where we care less about the things that  
really matter  
But slow down kids, don't take the piss  
His wrist was almost shattered

Closing time, closing time  
About the things you do
