### "100 Reasons Why"

\* 100 reasons why  
You should love me  
It don't hurt to try  
Won't you come over tonight

Tell me  
Where would you find another girl like me  
Admit that I'm the one for you  
You drive me crazy  
I'll be all you dream of  
I'll be all you need  
I know what you're lookin' for

*[\* repeat]*

Who else  
Knows a guy like you  
Needs someone like me  
You say that you can't give  
All the love I'm cravin'  
I'll give all my lovin'  
I'll give all my time  
I'm the joy nobody else can bring

*[\* repeat]*

You know  
That a girl like me  
Is the one who gives  
ALL the love that you're cravin'  
I'd give all my lovin'  
I'd give all my time  
I'd give all the love I have to give

*[\* repeat]*
