Everyday of my life's in shambles
Since you took your love away
I got nothing left to gamble
I've thrown it all away

Now and then I'm suicidal
Flirting with a new temptation
Happiness inside a bottle is what I need today

Oh, my lover has gone away, gone to Istanbul
Light as a feather
I lie in my bed and flip through TV channels
Eating Godiva
I'm smoking my days away reading old emails
In my old pyjamas
What a day, me muero, muero, muero

Loneliness makes it's arrival
Depression starts to settle in
Try to go where no one'll write her
And do some crazy thing

Now and then I'm suicidal
Flirting with a new temptation
Overdose or overreaction, call it what you may

Oh, my lover has gone away, gone to Istanbul
Light as a feather
I lie in my bed and flip through TV channels
Eating Godiva
I'm smoking my days away reading old emails
In my old pyjamas
What a day, me muero, muero, muero

It's the good stuff, oh what a day
Oh, my lover
(Muero, muero, muero)
Lover
Oh, what a day
(Muero, muero, muero)
I'm smoking, smoking my days away
(Muero, muero, muero)

What a day, me muero, muero, muero
What a day

(Muero, muero, muero)
Gone away... yeah
(Muero, muero, muero)
Doctor, doctor
Oh, what a day
Forgive me my lover
(Muero, muero, muero)
Oh yeah
What a day, me muero, muero, muero
Oh my lover
Gone, gone away
(Muero, muero, muero)
My lover, gone away
(Muero, muero, muero)
I'm smoking
What a day, me muero, muero, muero
