I gave you my heart  
Hold on, let me sign it  
Your senorita a.k.a. your best friend  
Hereby, let it be known  
Love like never before  
I'm always at your service  
You just have to holler at me

NYC, NYC, what, what?  
Tokyo, Tokyo, what, what?  
Send it off from the streets to the highest  
To the highest, high

MP3, MP3 players  
Work it out, work it out hustlers  
Om Mani Padme Hum, Hum-Hum

You know why  
I'm gonna be yours tonight  
We're gonna oooh-aaah  
FYI  
We're gonna be up all night  
I'll see you later  
Call me, you know my number

Like Captain Picard  
I'm chillin' and flossin'  
It's 7 O' clock  
I issue the warning

That's right, we're stealing this show  
Damn right, letting him know  
Were sipping chardonnay from 2PM on our working day

Chinga-ling Chinga-ling, what, what?  
Chinga-ling Chinga-ling, what, what?  
Take me down to the fields where the grass is  
Where the grass is lime

MP3, MP3, players  
Work it out, work it out, hustlers  
On Mani Padme Hum, Hum-Hum

You know why  
I'm gonna be yours tonight  
We're gonna oooh-aaah  
FYI  
We're gonna be up all night  
I'll see you later  
Call me, you know my number

See, I don't need a freeloader-er  
No, I don't want a freeloader-er  
If you want a pi-iece of this stuff  
Got to give, got to give something

You know why  
(You know why)  
I'm gonna be yours tonight  
(Yours tonight)  
We're gonna oooh-aaah  
FYI  
(FYI)  
We're gonna be up all night  
(Up all night)  
I'll see you later  
(See you later)  
Call me, you know my number

You know why  
(You know why)  
I'm gonna be yours tonight  
(I'm gonna be yours tonight)  
We're gonna oooh-aaah  
(Aaah)  
FYI  
(FYI)  
We're gonna be up all night  
(We're gonna be up all night)  
I'll see you later  
(I'll see you later)  
Call me, you know my number
