On and on and on
On and on and on
On and on and on
On and on and on

I just wanna dance the night
The night away
Go ahead and make my day
Mr DJ

Make the night go on and on
(Oh, oh)
Make the night go on and on
(Oh, oh)

Hunnies if you're gay
Burn it up, like a gay parade
Hunnies if you're straight
Bump it up, take it all away
Intoxicated, emancipated, unapologetic's
What I am today, light me up

Make the night go on and on and on
You know it go on and on and on
Make the night go on and on and on
I'm livin' up my life
Until the day I die
Don't need a lullaby

(Ee-oh ee-oh)
On and on and on
(Ee-oh ee-oh)
On and on and on
(Ee-oh ee-oh)
On and on and on
(Ee-oh ee-oh)
On and on and on

Music's got me sweatin' hard
I feel my heart
Bumpin' like an 808
I-I'm OK

(Make the night go on and on)
If you wanna mess with us
(Make the night go on and on)
Sink you with a counterpunch

Hunnies if you're gay
Burn it up, like a gay parade
Hunnies if you're straight
Bump it up, take it all away
Intoxicated, emancipated, unapologetic's
That I am today, light me up

Make the night go on and on and on
You know it go on and on and on
Make the night go on and on and on
I'm livin' up my life
Until the day I die
Don't need a lullaby

Intoxicated, emancipated, unapologetic
On and on and on
Intoxicated, emancipated, unapologetic's
What I am today, light me up

Make the night go on and on and on
You know it go on and on and on
Make the night go on and on and on
You know it go on and on and on

Make the night go on and on and on
(Intoxicated, emancipated, unapologetic)
You know it go on and on and on
