"Precious Love"

My Precious
My Precious Love...

Once in my life
Love's in my heart
Touching your hand
Just takes me back again

Close the door behind you
I'm steppin' out for love
Let me be the same as yesterday
You're the one I dream of
So let me be your love again

* Precious love
I will do anything for your love
Precious love
I will do anything for you

Deep in my heart
Longing for you
I just can't wait
To have you back again

Lookin' all around me
For places you may be
The loneliness I feel is day to day
I really need to see you
And hold you in my arms again

[repeat]*

My Precious
My Precious Love...
