## "Promise"

Promise me  
Promise me

People can make commitments they can't keep  
But we know we aren't that cheap  
Can you promise me  
That you won't ever never ever  
Make me weep  
Why can't you feel the way I do  
Love and cherish me

\* I will be there for you  
If you'll be here for me  
And I will do all I can  
To be your everything  
Please don't say maybe  
Just make me your baby

\*\* Promise me  
Promise me  
That your love will never ever change  
Don't start actin' strange  
Promise me  
Promise me  
That your love will never ever change  
My love's not a game

Your love is there for sure  
As the sky above  
But I can't afford to lose  
This love  
This special love  
Why won't you say that it's true  
Say you'll always be there for me  
For me

*[\* repeat]*

*[\*\* repeat]*

Let me know from your heart  
This love of ours is special  
You're the one I'm waiting for  
Tell me you want me  
I've been true from the start  
But I can't wait forever  
Promise me  
Promise me  
Promise me your love

*[\*\* repeat]*

just holdin' your hand  
Seein' you smile  
I can't live without you
