Is it a choice that we even have?

Bang bang down on the piano 'til I smash the keys

Listening alone with the melodies

Everything's gone and I don't know where

And the rule of thumb don't apply anymore

'Cause the house is burning....

Trying to pull myself away

I'm caught in a pattern and I can't escape

Trying to pull myself away

Lately when I get lost there's this thing I know

Even the dogs have somewhere to go

Everything comes if you just let it be

Work, work, brighten the corners that will never see

Untangle the thoughts that you know what they mean

I hope that the answer doesn't come too late

And the rule of thumb don't apply on me

'Cause the tables are turning

Trying to pull myself away

I'm caught in a pattern and I can't escape

Trying to pull myself away

I'm caught in a pattern and I can't escape

Can't escape

Trying to pull myself away, everything's gone

Trying to pull myself away, everything's gone
