(claude s./dania morales)

I saw the fall
And still I don't believe it with my eyes
I still recall
All the hours I waited as a child

All the things I wanted
I just watched them slip away
All the open honesty
Had washed away the stains...

Has she gone?
Although the moment's shifting,
Can you feel it in my pulse?
Has she gone?
Although the moment's shifting,
Can you see it in my eyes?

In my eyes
In my eyes

Time keeps spinning round and round
Just like a carousel
Every time it stops like this,
It brings me tumbling down

All the words I thought I read
Don't mean so much to me
All the hidden doubts I can't tie
Throughout entity

Has she gone?
Although the moment's shifting,
Can you feel it in my pulse?

Has she gone?
Although the moment's shifting,
Can you see it in my eyes?

In my eyes
In my eyes

Everything I was to you
Everything I dreamed
All the words I'd spoken
And all the tears that fell

All of my worries
And all of my pride
All of my innocence
All gone with time

Has she gone?
Although the moment's shifting
Can you feel it in my pulse?
Has she gone?
Although the moment's shifting
Can you see it in my eyes?

In my eyes
In my eyes

(repeat until end)
