Blackbirds dance among the roses  
On the garden walls.  
They are like the passers-by  
On the nameless street.  
All these hours undone.  
Sounds of sandals on the curbstones  
Echo in my head...  
Oh the way the love has dwindled  
In the end  
All these hours undone.  
I try to avert your love  
You brought me tears my friend.  
With poise and empty gestures  
They took their toll...  
All these hours undone.  
All these hours undone.  
(laugh...."bam, bam, bam..bam...hey Chris...")
