Nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you couldn't do so you could learn
How to play the game, it's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

Nothing you can make that can't be made
(Can't be made)
No one you can save that can't be saved
(Can't be saved)
Nothing you could be you couldn't learn
How to be in time, it's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love
(Love is all we need)
All you need is love
(Love is all we want)
All you need is love, love
Love is all you need

All you need is love
(Love is all we need)
All you need is love

(Love is all we want)
All you need is love, love
Love is all you need
