Times it's hard and I can't fake it, when she lets me see
her naked

All alone I'm beat so why can't I sleep I had that dream
again
you know the kind that change your mind about life,
about love
And about you too, not the band but the friend I know.
You don't feel the same, the good ones never do

Times it's hard and I can't fake it, when she lets me see
her naked

(Chorus) My roommate's a girl. She puts me through
hell
When I tripped on love, she never fell

Maxis in the bathroom and too-cute frog stuff
Everywhere I turn. Though I must admit, I'm fine with
Victoria Secret Catalogs
I read 'em all the time just for the articles
And honestly they're not mine

But you know that

(Chorus) My roommate's a girl. She puts me through
hell
When I tripped on love, she never fell

Yes I have a girl roommate we don't mess around
but I know, I'm not gay, She just won't come around
Yes I have a girl roommate we don't mess around
but I know, I'm not gay, She just won't come around

Times it's hard and I can't fake it, when she lets me see
her naked

(Chorus) My roommate's a girl, she puts me through
hell
When I tripped on love, she never fell

My Roommate's a Girl I can tell you the fun never ends
My roommate's a girl she's my very best friend

Times it's hard and I can't fake it when she lets me see
her naked
