There's been a lot of talking
From the town where I come from
All my friends are saying things
Which make me doubt sincerity

What is the meaning of a truth or a lie?
What is the meaning of the things we feel inside?

I felt the pain
(Whenever you smile, whenever you cry)
I felt the pain
(Whenever you smile, whenever you cry)

In looking at your eyes
The feeling of love swells within my soul
Every word that I say
Has no meaning when you turned away

Why do I stay here when I feel this way?
Why do I need to see you on my darkest day?

I felt the pain
(Whenever you smile, whenever you cry)
I felt the pain
(Whenever you smile, whenever you cry)

I can see your little boy
Reminding me of who I was
I can see a little girl
She looks like you

I felt the pain
(Whenever you smile, whenever you cry)
I felt the pain
(Whenever you smile, whenever you cry)

I felt the pain
(Whenever you smile, whenever you cry)
I felt the pain
(Whenever you smile, whenever you cry)

Whenever you smile, whenever you cry

Whenever you smile, whenever you cry
Whenever you smile, whenever you cry
Whenever you smile, whenever you cry
