I felt the sun on me
Made me see something I can't explain.
Something in the wind
Calling my name,
How is it possible?
I don't know...
I don't know...
When I held your hand
The same emotions enveloped me.
Bizarre as it may seem,
I thought I heard somebody say...
Feel the kiss of love,
Know that it's real
these emotions we feel.
Feel the kiss of love,
Know that it's true
when it happens to you.
When I think of you
The world takes new meaning
And so does my life.
Seems like paradise
Hopelessly, you and me at peace
I love you, I love everything...
I love you, I love everything...
Feel the kiss of love,
Know that it's real
these emotions we feel.
Feel the kiss of love,
Know that it's true
when it happens to you.
(Feel, feel, feel, feel)
(Feel, feel, feel, feel)
Feel the kiss of love
Know that it's real
these emotions we feel.
Feel the kiss of love,
Know that it's true
when it happens to you.
Feel the kiss of love,
Know that it's real
these emotions we feel.
Feel the kiss of love,

Know that it's true
when it happens to you.
(Feel, feel, feel, feel)
(Feel, feel)
The Kiss of Love
(Feel, feel)
The Kiss of Love...
