I'm bitin this love struck loli-pop  
trading licks to reach the core  
I've never been one to be sore  
That I'll never be the one 2 3 4

Whoa, whoa  
Whoa, whoa

I'm sorry, so sorry I've never been big on starry eyes  
Defibrillating smiles, fascinating minds  
to think that all this time I don't get one thought  
or one chance or 1 2 3 4

(Chorus) Just a little fun  
Cause all I need is one

I'm open, here's hoping that I'm invited  
I'm choking, heart broken love unrequited

One thought our last chance for one dance  
or 4 3 2 one joke, I'll steal first base  
Just like Diet coke, just for the taste of it  
and one thought of your one blue one green eyes  
and defibrillating smile, fascinating mind,  
to think that all this time I don't get one thought or one  
chance  
or 1 2 3 4

(Chorus) Just a little fun  
Cause all I need is one  
(Chorus) Just a little fun  
Cause all I need is one

I'm open, here's hoping that I'm invited  
I'm choking, heart broken love unrequited

I will be there (always) always forever  
And I will be there (always) always

(Chorus) Just a little fun  
Cause all I need is one

(Chorus) Just a little fun  
Cause all I need is one
