When we were growing up  
We wanted to become,  
The special people  
In this lonely, broken place  
And after all the years have gone  
Only a few of us  
Ever reached our goals  
Some of us are still trying hard...  
Do you know?  
That's all we wanted was to have our dream  
Do you know?  
That's all we wanted was to have our dream...  
Our ambitions, are sacred to us  
They keep moving forward in our lives.  
You don't have the right  
To make it die in us.  
You don't have the right  
To destroy...  
Do you know?  
That's all we wanted was to have our dream  
Do you know?  
That's all we wanted was to have our dream...  
That's all we wanted was to have our dream...  
To the governments of the world  
To greed, to anger,  
To war, to hatred,  
To racism, to religion.  
To disease, to destruction,  
To the bombs, to confusion,  
To reality, to the jealousy,  
To the governments of the world...  
Do you know?  
That's all we wanted was to have our dream  
Do you know?  
That's all we wanted was to have our dream  
That's all we wanted was to have our dream  
That's all we wanted was to have our dream  
Do you know?  
That's all we wanted was to have our dream  
Do you know?  
That's all we wanted was to have our dream  
That's all we wanted was to have our dream...
