Here I am, all alone,
All alone with empty hopes.
Here I ran, all alone,
All alone within myself.
My heart is on fire
My soul will burn
My heart is on fire
My soul will burn
Here I lay, all alone,
All alone within myself.
Here I ran, all alone,
All alone to sit and wait.
My heart is one fire
My soul will burn
My heart is on fire
My soul will burn
Here I lay, all alone,
All alone within myself.
Here I lay, all alone,
All alone to sit and wait.
(Burn...)
My heart is on fire
My soul will burn
My heart is on fire
My soul will burn
My heart is on fire
My soul will burn
My heart is on fire
My soul will burn
If this should leave me now...
If only I could walk...
Is there somewhere I could go?
Yes, I remember a place
So far away
Is there nothing I can say?
The words have died away
(Burn...)
My heart is on fire
My soul will burn
My heart is on fire
My soul will burn
My heart is on fire

My soul will burn
My heart is on fire
My soul will burn
