This your favorite song, requested all day long  
Although the station says it's local, you say you love  
harmony vocals  
Despite your radio devotion, come see us live for the  
emotion  
And to hear your favorite song (crank it up to eleven)  
The download won't take long (crank it up to eleven)  
This is your favorite song

(chorus) And you will here me singin'  
(drew) It just don't make sense, you're fickle  
indifference  
but on track laid back I will be singing:  
sounds good to me

So now they play your favorite song. You hear it all day  
And though you wanna keep in touch , eleven times an  
hour's too much  
To hear your favorite song (crank it up to eleven)  
I know it won't last long (crank it up to eleven)  
This is you favorite song

(chorus) And you will here me singin'  
(drew) It just don't make sense, you're fickle  
indifference  
but on track laid back I will be singing:  
sounds good to me

Oh, Oh (check it out)  
It started out as a kick-ass hit (with out a doubt)  
But I can tell your getting sick of it, your favorite song  
You killed your favorite song  
So until the next one comes along

(chorus) And you will here me singin'  
It just don't make sense, you're fickle indifference  
but on track laid back I will be singing:  
It just don't make sense, you're fickle indifference  
but on track laid back I will be singing:  
sounds good to (me)

but on track laid back I will be singing:  
but on track laid back I will be singing:  
but on track laid back I will be singing:  
sounds good to me
