I Cannot Remember The Last Time I Smiled

I Only Know I'm Staring Cold Since I Can Think

Forgotten Things Rise Up Again

And Pull Me Towards Death

Nothing I Hold In My Hand

That Is Why I Cry

Will Anyone Be There For Me

Will Anyone Remember Me

All I Can Hear Are Dead Melodies

They Surround Me Show Me The Meaning Of My Life

They Surround Me Show Me Why I Cry

All That I Tried To Do, I Have Failed

So I Returned Back Into The Shadows

What Can I Do Now, I Have Nothin G

Instead Of This Gun In My Hand

And So I Walk My Way ( I Shoot Myself )

To End This Suffering

My Existence Broken

Drowned In A Lonely Tear
