Your such an asshole

The way you smirk and sneer

You smile so no one can see

But me

Fuck you, Ill smack your fuckin face in

I dont care bout waht you care your a fucking fag end

Whats that? what did you say?

I cant be assed to tell you, you wouldnt care anyway

When I speak you deny

Tell them im all a lie

Your a fake fuckin piece of shit

Now you wanna be friends? Dont even think of it

Your a moody old bastard with something to say

Well fuck you I dont want to hear it today

This time, Im gonna be all in your face

So you can have a little taste

of what i had

Dad?

Fuck you ill smack your fuckin face in

I dont care about what you care cos your a fuckin fag
end

Whats that? What did you say?

I cant be assed to tell you, you wouldnt care anyway

Dad?
