"Lie In The Sound"

More than is good
Oh the timing is cruel
Oh I need and don't want to need
More than I should
I am falling, say my name
And I'll lie in the sound
What is love, but whatever
My heart needs around
Oh my sheet is so thin
So I say I can't sleep because
It's so very cold
Oh but I know what I need
And if you were just near to me
Would you go...
I am falling, say my name
And I'll lie in the sound
What is love, but whatever
My heart needs around
I am falling, say my name
And I'll lie in the sound
What is love, but whatever

My heart needs around

And it needs you too much now
