And I get lost in the nothingness inside of me

(I was confused)

And I let it all out to find

That I'm not the only person with these things in mind

(Inside of me)

But all that they can see the words revealed

Is the only real thing that I've got left to feel

(Nothing to lose)

Just stuck, hollow and alone

And the fault is my own, and the fault is my own

[Chorus]

I wanna heal, I wanna feel what I thought was never
real

I wanna let go of the pain I've felt so long

(Erase all the pain till it's gone)

I wanna heal, I wanna feel like I'm close to something
real

I wanna find something I've wanted all along

Somewhere I belong

And I've got nothing to say

I can't believe I didn't fall right down on my face

(I was confused)

Looking everywhere only to find

That it's not the way I had imagined it all in my mind

(So what am I)

What do I have but negativity

'Cause I can't justify the way, everyone is looking at me

(Nothing to lose)

Nothing to gain, hollow and alone

And the fault is my own, and the fault is my own

[Repeat Chorus]

I will never know myself until I do this on my own

And I will never feel anything else until my wounds are
healed

I will never be anything till I break away from me

I will break away, I'll find myself today

[Repeat Chorus]

I wanna heal, I wanna feel like I'm somewhere I belong

I wanna heal, I wanna feel like I'm somewhere I belong

Somewhere I belong
