Dancin' in my wooden shoes

In a wedding gown

Dancin' out on 7th street

Dancin' through the underground

Dancin' little marionette

Are you happy now?

Where do you go when you're lonely

Where do you go when you're blue

Where do you go when you're lonely

I'll follow you

When the stars go blue

Laughing with your pretty mouth

Laughing with your broken eyes

Laughing with your lover's tongue

In a lullaby

Where do you go when you're lonely

Where do you go when you're blue

Where do you go when you're lonely

I'll follow you

When the stars go blue

The stars go blue, stars go blue
