Ra, climbing the horizon

Rising up the mountain, lighting up the valley below

Ra, giver without measure

Beacon of compassion, shining through the spectrum  
of life

Day is born, night is gone

One in all, all is one

Communion with the sun

Ra, ruler of all nature

Burning on forever, melting all together in one

Ra, holy synthesizer

Inspiration showers green and growing gardens of love

Voices rise to the song

One in all, all is one

Communion with the sun, with the sun

Ra, Ra, Ra, Ra, Ra, Ra, Ra, Ra

Ra, climbing the horizon

Waves of light come rolling across the floor of the  
valley

Ra, Ra, Ra, Ra, Ra

Lift your eyes to the dawn

One in all, all is one
