I feel too good to go to work today
I need a little more time so I can stay this way
(Let's go for a ride on the circle line)
Couldn't you use a day in the sunshine
(Mustn't let your bank payments get behind)
The bills may pile up, I just brush them off my mind

I can't let debt collectors bother me
Because I feel too good
(Feel too good)
I feel so good that you just can't bring me down
Just can't bring it down

I can't remember when I felt so high
My mind is on vacation and I don't know why
(Wouldn't you like to go for a country drive)
Doesn't it make you feel good to be alive
(Luncheon by the roadside will do just fine)
I left the water running, just must have slipped my
mind, slip my mind

(Feel too good)
I can't let the little things bother me because I feel too
good
I feel so good that you just can't bring me down
Someone's bound to bring you down
(Just can't bring me down)

There's a strange speaking man on the front lawn
Making rude noises and gestures
It's just the neighbor's got something on his mind
On his mind

(Feel too good)
Can't let Frenchie start to bother me
Because I feel too good
I feel too good that you just can't bring me down
Just can't bring me down

(Feel too good)
Feel so good, feel too good
(Feel too good)

I feel real good, yes I do

(Feel too good)

(Feel too good)

(Feel too good)

(Feel too good)

I feel too good, I feel too good

I feel so good

(Feel too good)

I feel pretty good yeah

(Feel too good)

Said I feel so good that you just can't bring me down
