Take a look
At the things that you can't see
All the mystic treasury
And you'll get them for free
Infrared and ultraviolet

Check it out
Like a secret waterfall
Like a rainbow on the wall
Costs you nothing at all
Infrared and ultraviolet

There is nothing to buy
Why not give it a try
While you're waiting for your ship to come in
Pass it on
Let the ancient song survive
Make it fun to be alive
Throw it in overdrive
Infrared and ultraviolet

For it's something in your mind
That will let you see behind
Cross the border and find
Infrared and ultraviolet
Infrared and ultraviolet
