Out in the street and
Under the sun.
I kissed his feet and loaded his gun.
Sooner or later everyone does!
Everybody feeds the fat boy. everybody feeds the fat
boy.

They just don't get it!
Vampires! they're vampires!
It's all about...suckin on something...
Some suck scum, some suck tits, some just suck up!
They all suck something.
Except ted williams...he never sucks.
I'll be buried with my ted williams cards!
He had 406 in 1941...put a side out the last game with
a 3995...
They go in the books as 400, but he played and he
went 445.
Ted williams...he was a saint! ...vampires!
Yeah, they all think I suck...
But they really wish their stuff sold like mine!
Next I'll do "nude decending a staircase!
I'll get a hundred grand for it! let em suck that!
vampires...
