Its a strange day
No colours or shapes
No sounds in my head
I forget who i am... when im with you
Theres no reason
Theres no sense
Im not supposed to feel.
I forget who i am, i forget.....

Fascist baby, utopia, utopia.

My dog need new ears
Make his eyes see forever
Make him live like me
Again and again

Fascist baby, utopia, utopia

Im wired to the world
Thats how i know everything
Im super brain!
Thats how they made me.

Fascist baby, utopia, utopia
