chorus

you are my love the love of my life
you are my strength and i want
you to know always
you are my love the love of my life
you are my strength and i want you to know

this feelin that i feel is a feelin i would never know
i juss cant help but smile everytime you call me on
the phone i love the way you tell me
that you'd never leave me it makes me realize
your the only woman right for me
i wanna take you to the skies so we can both look down
show you what you mean to me your my new love and
your what i found so when i take you here
and i got to know you understand that your
my love and will always be yeah
