No that's too deep for me,
Your philosophy makes no sense.
Opinionated fair enough,
if only there was reason to believe,
what one mans eyes see.

CHORUS

It's mind over matter as we all step back in line,
count the clones of mass destruction now I'm left
behind.
It's mind over matter, and what is even sadder is the
men whos eyes are clearer,
cant find the change for the parking meter.

What's black?
What's right?
I can read you all over, there's never a day.
What's white?
What's wrong?
Are you blind, how long do you think there is?

CHORUS

That's too deep for me...
