Your thoughts are a mystery to me,
Of course im thinking, what i want to believe
Me i've never lied to you know how i feel

Oh its really just this simple
So why do we complicate it, with memories un-faded
I dont care as long as you tell me, which way its gonna
be

Chorus
Cause nothings changed
My hearts not misplaced, just re-arranged
but who believes in order?
now ive tried, and im tired of feelin just the same
no but im to blame
im to blame
and nothings changed.

2 hearts are taken, but to what extent do
you know? oh do i know?
Dont go and leave me waitin, an answer is what im
needin
I can only avoid these situations one last time
I wish you'd tell me never mind the excuses,
I want to know what the truth is.

CHORUS

Vs 3 (instrumental)

CHORUS

Vs 4

So or is it yes or no, will you stay or go, i cant stand the
borderline
you'd think id learn from your first show
but its always better on opening night, falls you wont
change your mind
now im committing the perfect crime.

its really just this simple, you complicate, complicate it,
and who am i foolin when i say
i dont care as long as u tell me, that we are gonna be

CHORUS vamped

stop stop stop stop talkin
stop stop stop ill start walkin
