Take a chance with me  
take a chance  
And bare with me

I try to remember, when I speak out your name now  
That day in december, you gave me these dreams  
somehow

Just let me break apart this time  
Falling apart  
Every time

Take a chance with me  
Take a chance  
Try too bare with me

Speak up... let me hear you  
Speak up... and try me

Time goes on  
Dont stand still  
Time goes on  
Let us begin

Too fake it  
Too brake it

Take a chance with
