Respected but still rejected in your world Can give a  
fuck about your world You can't hold your head up in  
your own world Just don't pass me by now...

I just need you too face your lies

DARE SAY IT IN FRONT OF MY FACE NOW  
DARE TO SPIT IN MY FACE  
COME ON SAY IT IN FRONT OF MY FACE NOW  
DARE TOO SAY IT IN FRONT OF MY FACE

Respected but still rejected in your world Can give a  
fuck about your world You can't hold your head up in  
your own World Just don't pass me by now...

Please tell your lies about me

You're gonna tell me lies!  
Go on tell me lies!  
You're gonna tell me lies!  
Come on and give me your lies!

DARE SAY IT IN FRONT OF MY FACE NOW  
DARE TO SPIT IN MY FACE  
COME ON SAY IT IN FRONT OF MY FACE NOW  
DARE TO SAY IT IN FRONT OF MY FACE
