Never made it as a wise man  
I couldn't cut it as a poor man stealing  
Tired of living like a blind man  
I'm sick of sight without a sense of feeling

And this is how you remind me  
This is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you to say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breaking  
And I've been wrong, I've been down  
Into the bottom of every bottle  
These five words in my head  
Scream, "Are we having fun yet?"  
yeah, yeah, yeah, no no  
yeah, yeah, yeah, no no

It's not like you didn't know that  
I said I love you and I swear I still do  
And it must have been so bad  
Cause living with him must have damn near killed you

And this is how you remind me me of what I really am  
This is how you remind me of what I really am

It's not like you to say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breaking

And I've been wrong, I've been down,  
Been to the bottom of every bottle  
These five words in my head  
Scream "Are we having fun yet?"

[2x]

Yeah, yeah, yeah, no, no  
Yeah, yeah, yeah, no, no

Never made it as a wise man  
I couldn't cut it as a poor man stealing  
Tired of living like a blind man  
I'm sick of sight without a sense of feeling

This is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you to say sorry  
I was waiting on a different story  
This time I'm mistaken  
For handing you a heart worth breaking

And I've been wrong, I've been down,  
Been to the bottom of every bottle  
These five words in my head  
Scream "Are we having fun yet?"

Yeah, yeah "Are we having fun yet?" [3x]  
Yeah, yeah, no, no
