**(feat. McFly)**

Being with you was all that I needed,  
And I don't know why you were too blind to see it,  
Now you're gone, and I need you here tonight...

*[Chorus:]*

You know that I can't sleep cos I'm terrified,  
Feels like I'm fallin' down really fast inside.  
And I'm wishin' the night away  
These chills in the evening - they won't go away...

And sometimes I feel like I can't go on living,  
There's not much to take when you've done all the  
giving (you've done all the giving)  
And now you're gone, and I need you here tonight...

*[Chorus:]*

You know that I can't sleep cos I'm terrified,  
Feels like I'm fallin' down really fast inside.  
And I'm wishin' the night away  
These chills in the evening - they won't go away...

(they won't go away...)

And now I need to find a way (find a way)  
To stop this pain from getting stronger (getting  
stronger)  
And I just can't explain,  
I don't understand,  
Why you left me here...

*[Chorus:]*

You know that I can't sleep cos I'm terrified,  
Feels like I'm fallin' down really fast inside (fast  
inside)  
And I'm wishin' the night away  
These chills in the evening - they won't go away...

*[Guitar Bit]*

*[Chorus:]*

You know that I can't sleep cos I'm terrified,  
Feels like I'm fallin' down really fast inside.  
And I'm wishin' the night away (wishin' the night  
away)  
These chills in the evening - they won't go away...

They won't go away....
