

V**"Just for you"**

Visit "[Just for you](#)" on MotoLyrics.com

Everyday
I sit and wait
I'm waiting just for you
And then there you are
You're my shining star
No matter what you do
Yeah

So what will it take
To get me a date
I know that you'll really like to
And after the show
I'll drive you back home
Come on you've got nothing to lose

You got me wanting
Baby you got me needing
No matter what you do
You got me thinking
Ooh, you got me spinning
And this one's just for you
Oh
You got me wanting
Baby you got me needing
No matter what you do
You got me thinking
Ooh, you got me spinning
And this one's just for you
Just for you

(Speaking)

Leon: "Right, it's got a nice little vibe this one hasn't it?"

Kevin: "Yeah I'm liking it,"

Leon: "Who's gonna sing next then?"

Kevin: "Is it my turn?"

Leon: "I think it might be you and Mark, yeah."

Kevin: "Is it? It's my first though isn't it?"

Leon: "Yeah, I think you sing summat about taking some chick to the flicks, I dunno, summat like that."

Kevin: "Oh, here we go then, okay."

Leon: "Okay!"

Take you to the flicks
Grab some pick 'n' mix
You'll never have to pay

And at the start of the show
We sneak to the back row
I don't care what Mr Ticket Man says
Yeah, yeah

So what will it take
To get me a date
I know that you'll really like to
And after the show
I'll drive you back home
Come on you've got nothing to lose

You got me wanting
Baby you got me needing
No matter what you do
You got me thinking
Ooh, you got me spinning
And this one's just for you
This one's just for you
You got me wanting
Baby you got me needing
No matter what you do
You got me thinking
Ooh, you got me spinning
And this one's just for you

And if I was a little older and I drove a flashy motor
you'd be my girl
You'd be my girl

If I was a little taller and my hair a little blonder then
baby
Baby

You got me wanting
Baby you got me needing
No matter what you do
You got me thinking
Ooh, you got me spinning
And this one's just for you
Just for you
You got me wanting
Baby you got me needing
No matter what you do
You got me thinking
Ooh, you got me spinning

And this one's just for you
This one's just for you

(Speaking)

Mark: "Hello? I can't I'm recording a hidden track for the album."

Kevin: "Mark man, not while he's adlibbing!"

Antony: "Stuff ya, put it down!"

Mark: "I'll call you back later, right?"
