{*Nelly exercising and breathing hard*}

[Nelly]

C'mon, uhh, uhh

I guess he's back 'urr derry, S-T-L derby

I'm like Magic to Kareem, mayne you tell me I ain't

Worthy

I ain't speakin 'bout a jersey, I'm speakin 'bout income

DID YOU HEAR THAT ELIZABETH? HERE COME THE BIG ONE!

I put mo' money in the community than you got in yo' budget

I wipe my ass with yo' advance to the toilet then flush it

My last stance be a stance of a General Custard

I hot dog cause I can, I got the cheese and mustard

I got the stats of a hall of famer - in just two records

That's why I'm back up at the Superbowl - with Julius Peppers

I got that cain't stop, won't stop, in my veins

That's why they cain't stop, won't stop, screamin the name

NELLY! NELLY! Go tell a friend to tell a friend

I'ma keep the same grin whether I, lose or win

Up, or down ten, I'ma fight to the end

{*breathing hard*} Let's go

[Chorus: L.U.V.E.]

Ain't no way they can stop me now Nelly

Cause I'm on my way, I can feel my ring comin

It's the blood of a champion, pumpin

Deep inside my veins, too much pride to be runnin

I'ma get what I can and more, even if

My blood, my sweat, and my tears don't mean nothin

It's the heart of a champion (it's the heart of me)

(It's the heart of a..) in me

[Nelly]

I'm the first pick, the first round, signin bonus profound

Playin for his hometown, reppin for the home ground

And gettin Bucks like Michael Redd, tell 'em again

I gets Bucks like Michael Redd, heard what I said?

The M-V-P of the game, intensity still the same
I'm shootin out from my reign, with Peyton Manning
type aim
Can't stop me from scorin so they results are just
hackin
So there's, three of us now - me, A.I. and Shaq'n
From the look to the as I say
Hover man with more heart than Hallmark on
Valentine's Day
I'm the one that you've been Raven about, like Ray
Lewis
I think it hard to go and change your route
Cause you don't know if I'm blitzin or if I'm sittin and
readin
Waitin for you to go and trip, drop back and throw up a
pick, man
AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY
CAN - BLOW
AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY
CAN - BLOW

[Chorus]

[Nelly]

It's like a big time decision made on how I can twurk it
If hard work pays off then easy work is worthless
My work habit ain't no habit man, I do it on purpose
I push myself to the limit so my talent'll surface
So now it's, curtains and drapes, on anybody who hates
Dislikin what I'm recitin, bitin what I've been writin
I've been dogfightin, scratchin and clawin on every
height
Tryin to make you remember me like you +Remember
the Titans+
Cause I'm a WARR-IOR, my daddy was a soldier
A Vietnam vet, lil' derry I thought I told ya
I'm supposed ta, whip up your town in Testarossas
Heatin like Folgers mayne, I'm young black and rich
As good as it gets, and givin your point guard fits
He think he done seen pressure mayne, but he ain't
seen shhhh...
AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY
CAN - BLOW
AIN'T NO WAY THEY CAN - BLOW, AIN'T NO WAY THEY
CAN - BLOW

[Chorus] - repeat 2X
