[Bridge x2]

Green Sally up  
And green Sally down  
Lift and squat  
Gotta tear the ground  
Old miss Lucy's dead and gone  
Left me here to weep and moan

[Hook (over Bridge) with ad-libs]

I said BITCH!  
Get the fuck out my face  
Get the fuck out my face  
Get the fuck out my...pimpin' ho  
I said BITCH!  
Get the fuck out my face  
Get the fuck out my face  
Get the fuck out my...pimpin' ho  
I said BITCH!  
Get the fuck out my face  
Get the fuck out my face  
Get the fuck out my...pimpin' ho

[Fiend]

Live and react like, me and this mack right  
Since you've seen that I'm here know what I'm after  
right  
Only take for the cake or I leave you gushy  
And kep them bitches better yet take some mo' pussy  
Blah! Blah! Blah!  
Never get over lookie to rookie  
One slip and he soft while rappers sayin' he took me  
Can't have it like cats and they rag  
Trick or treatin' Hallo-Fiend with lil' gats in my bag  
Something bout me tryin' to get my mama off in that  
Jag  
Have me a hundred thousand acres, relatin' them bags  
I'm the truth and the real  
But they all want the records I can't chill  
But like a bank, I break them bills  
My brother had me countin' a million cash for drill  
Cleanin' up wasn't no chore for real

I saw raw yay, swords, and steel  
Cars, Star Wars, and grills  
Had to pause and know I seen it with my paw was real

[Hook (over Bridge) with ad-libs]

I said BITCH!  
Get the fuck out my face  
Get the fuck out my face  
Get the fuck out my...pimpin' ho  
I said BITCH!  
Get the fuck out my face  
Get the fuck out my face  
Get the fuck out my...pimpin' ho

[DJ Paul]

I'm mo' than a murderer times two of that  
Dealer times two of that  
Pimp nigga two of that  
What they wanna do about that  
I grown from a family strong  
And they love to do wrong  
Pimps, whinos, and drug dealers all I known  
See I can tell the world the truth now  
Cause either time's been served  
Niggas down to drop the charge now  
I remember the time back when  
Dunnigans ran the town with vest and drop-top Benz  
And they hated the Feds so sick  
Cause what you call ballin' now  
Ain't nothin' to how they did shit  
But it's a new day, the Feds scared again it's happenin'  
Fuckin' with us but we's just rappin' just rappin'  
They scared to face the fact we make our money off of  
music  
So what you call me with a ball of blow, bitch I use it  
I had the Reuger for protection  
But ya ass wouldn't have seen it if ya had been  
inspectin'  
My shit

[Juicy J]  
GD's, Vice Lords, killers, drug dealers  
Nothin' but that hustlin' goin' on for the scrilla  
We supply the music for the niggas in the hood  
All the pimps and playas that'll smoke the lightest bud  
We the ones that rob ya, have ya runnin' out ya shoes  
All through the town, see our picture on the news  
Fuck some karaoke cause we talkin' with our slang  
Every time we in a group they wanna say we gangs  
We love a shitty ho that can make her booty shake  
Ain't lookin' for no housewife, I'm at the Ebony and  
Lace  
We smile with them gold teeth, I'm walkin' with a limp  
Smokin' on them Newports, bumpin' like a pimp  
When all the ladies see me they be sayin' I'm with him  
I'm at the Red Lobster and I'm eatin' all the shrimp  
I'm livin' ghetto fab, ridin' Caddy with the dents  
Ain't messed up bout no carborator, I'm always stayin'  
lit
